And also the season where a new life begins.
Spring.
The season where people both meet, and separate, from one another.

The first storm of spring.
Dancing, the Sakura petals.
The gentle sunlight...

The springtime scent that marks a premonition for the beginning of a new story...

GREAT THINKING, HOTARU!
IS THAT SO..?

SERIOUSLY?!
YES, FOR SOME REASON, SHE SEEMED REALLY EXCITED.
SHE WENT OUT SOME TIME AGO.
THIS IS QUITE HARD TO GRASP, ISN'T IT..? AND AS FAR AS I'M CONCERNED...
BUT... SHE EVEN IGNORED MAINTENANCE...
SHE SEEMED REALLY EXCITED... MAYBE SHE REALLY DID JUST GO OUT ON A STROLL..?
...DID SHE RUN AWAY FROM HOME?

I HEAR THAT THEIR CONVER-SATIONS TOGETHER ALWAYS SEEM TO GIVE OFF AN UNEASY FEELI-

Okay, I don't know. Seriously, wtf? These P2P tank raws are absolute crap.
Yeah, I did a fast release this time just to claim it (you guessed it), but nothing more.
I already have the tank for this, so I'll v2 it sometime within the next while or so.

Episodes 01 - 04, as well as the Omake, will ALL use my PERSONAL tank scans.
Screw this failure of a Japanese P2P scanner. This guy sucked. A lot.
Practically ever single page had a different requirement for the cleaning.

Anyways, with that being said, I'll finish up Kiniro Mosaic and release the first
compilation sometime very soon. Na, no P2P raws for that one. I scanned it with my
own tank already. Those ones are in very good quality, as opposed to this crap.

For those who may have noticed, 001.jpg is the only page I scanned onto my
computer for Aisupe @. That's why it looks really nice and beautiful. Yeah.

Anyways, if you liked this manga, support the people by buying the tank.
Join #cake at irc.irchighway.net to keep updated on everything I'm doing.

Have fun guys and girls.
